

The background is a deep blue gradient with a subtle pattern of white dots. Overlaid on this are several concentric circles and arcs in a lighter blue shade. Some of these arcs have degree markings, such as 150, 160, 170, 180, 190, 200, 210, 220, 230, 240, 250, and 260. There are also small white arrows pointing in various directions, suggesting a sense of movement or rotation.
